

Shine Your Light 09 coming to Buckroe Beach this Saturday

July 8, 1:32 PM · Kim Kindrew - Norfolk Christian Living Examiner

On Saturday, July 11th, the place to be is Buckroe Beach near the Pavilion, to enjoy an entire day of Christian music, messages, fun, and giveaways. Keep the Promise Ministries 10th Annual Shine Your Light begins at noon with nine top performers and guest speakers taking the stage throughout the day.

As the ministry's largest outreach event of the year, Shine Your Light demonstrates the vision of Keep the Promise: Making the most of every opportunity to share Jesus Christ with the world.

In 1998, Buddy Chapman founded Keep The Promise Music Ministry Inc. Originally, his vision for the ministry was to share the good news of Jesus Christ through performance of original songs written after his conversion. Since that time, God has not only grown Chapman's vision and scope through his ordination as an evangelist, God has also brought to the ministry other committed Christians who have blended their talents and calling. Today, Keep The Promise Ministries not only ministers through music, but also provides evangelistic preaching and Bible-based teaching seminars in personal evangelism. Chapman believes it is the diversity in their scope, as well as the passion to see souls led to Christ, that God has molded the ministry to be at the place it is today. He believes that God calls and equips ministries for His glory, and he feels blessed that after 10 years, God continues to expand the vision and open new doors.

Keep The Promise Ministries is a non-denominational Para-church ministry. Para-church organizations are vehicles by which Christians work collaboratively both outside of and across denominations to engage with the world in evangelism. We hold a strong Biblical worldview and do of course seek to partner with churches and individuals who hold a Bible based view of the essentials of our faith.
