Serving an Extraordinary God

Fall is here and what a wonderful summer we've had at KTP. Through your prayers and support God has provided so many blessing in so many ways. As many of you know, in April of this year, Keep The Promise started our KTP Community Worship Service here in Poquoson. We started out meeting once a month and now are meeting twice a month at the Poquoson Community Center on 49 Odd Road. See www.KeepThePromise.org for dates and times.

We've seen the hand of God guide us in the most remarkable ways. There have been many lives transformed, souls saved, relationships restored, and the miraculous experienced through the power our risen Savior. We are constantly blown away by the grace of God which allows us to be an essential part of sharing His kingdom here on earth. So if you're looking to be encouraged in the Lord in a casual and contemporary atmosphere, our door is always open. Come as you are and experience the love of Christ through everyday people that serve an extraordinary God.

Treasure of Your Heart

“Do not lay up for yourselves treasures on earth, where moth and rust destroy and where thieves break in and steal; but lay up for yourselves treasures in heaven, where neither moth nor rust destroys and where

thieves do no break in and steal. For where your treasure is, there your heart will be also” (Matt. 6:19-21). As I read this verse of scripture, the Lord nudged my spirit to give an account of the treasure of my heart. I began thinking about the many things the Lord has blessed me with: family, friends, health, etc. Then it hit me, how easy it was for me to name my blessings, which I'm greatly thankful for, and miss the Blessor Himself. Digging in the Word, praying, and ministering daily, the Lord showed me with a simple question how vital it is to guard my God time. Our intimate relationship with the creator of the universe can be side-tracked even by good things. Our worship of Him brings life to our spirit and praise to the King. So today as I write this note, I calibrate my heart and focus on my true treasure, the most amazing gift ever given, Jesus Christ. For without Him there would be no treasure at all. I see why Paul said in Philippians 3:8 Indeed, I count everything as loss because of the surpassing worth of knowing Christ Jesus my Lord. For his sake I have suffered the loss of all things and count them as rubbish, in order that I may gain Christ. So friends, don't settle for knowing about God when we have the awesome privilege of knowing Him personally through His treasure to us, Jesus Christ.

Making the most of every opportunity to share Jesus Christ with the world.

Fall Fellowship Service

You are invited to the KTP Worship Center on October 31st - 10:00 am located at 49 Odd Road, Poquoson 23662. We will have a special blessing as our KTP drummer, Thomas Guglielmo, along with Ryan Mekkes on guitar and Josh Jones on bass will be leading worship. They have formed a band/ministry that is turning heads and opening hearts to hear the Good News of Christ.

Their new demo is being played locally on The Current FM radio station. These guys are "rockin for the Lord" with a

fresh sound that is truly making a Difference for the Kingdom. Check out their website at www.myspace.com/thedifferenceshows. We will follow up with a BBQ blowout for our fall fellowship service. Hope to see you there.
